

2020 TRIO New Mexico Emerging Leaders Institute Objectives and Outcomes

GOAL: The goal of the TRIO New Mexico Emerging Leaders Institute is to provide an opportunity for New Mexico TRIO professionals to gain valuable knowledge, training, and professional development in the area of leadership, as well as create opportunities for the membership to develop the skills necessary to assist in the operation of the Association. Although, it is similar to the SWASAP ELI training program, all TRIO New Mexico ELI trainings and meetings take place in New Mexico. This makes it a viable training opportunity for TRIO New Mexico members who may not have the flexibility for the travel required of the SWASAP ELI participants.

PURPOSE: The purpose of the Emerging Leaders Institute is to identify, train and mentor TRIO New Mexico members for leadership roles within the Association. The roles include committee service as members and/or committee chairs as well as preparation to hold office at the state, regional and national levels. TRIO NM ELI also strives to provide to its members leadership development on a professional and personal level.

EXPECTED OUTCOMES

1. Participants who successfully complete the program will possess a greater understanding of TRIO New Mexico and its objectives, organization structure, and procedures.
2. Participants will become more motivated and committed to their profession, the Association, and the clientele who benefit from the Association.
3. Participants will provide innovative ideas and objectives for the Association and serve as mentors for new members within the Association.

TRAINING TOPICS: Training topics include, but are not limited to: TRIO leadership styles, presentation skills, networking and team building within the TRIO community, TRIO NM committee service; TRIO Day, Roberts Rules of Order, parliamentary procedure, TRIO NM By-Laws, TRIO NM fiscal management, the history of TRIO programs and the TRIO NM association, overview of the Council for Opportunity in Education (COE) including policy, Fair Share, and the Walter O. Mason Foundation.

GRADUATION REQUIREMENTS: In order to graduate from the Emerging Leaders Institute, each participant is required to attend ALL training sessions and activities unless an emergency (i.e., illness, weather, funeral, etc) prevents attendance. Actively hold a position within the state or regional associations (i.e., committee chairperson, committee member, board member, etc). Complete an approved ELI project at the completion of the training program. Additional requirements may be determined and implemented by the ELI trainer. In the event of an emergency, a written explanation of absence will be requested.
